Thank you for your willingness to contribute to keep our co-op attainable for as many as possible!**

### Teacher Biographies

**Mrs. Carlene Bateman** - I am the proud mom of three and grandmother of 10. I am a retired English instructor who moved from eastern North Carolina in 2020. Since I retired from teaching, I have volunteered in several ways with kids. Through 4-H I have taught many classes in sewing and crafts and mentored through the Master Gardening program. Also, I have worked to start a stem and technology club and tutored language arts. In my spare time, I look forward to spending time with my family, reading, gardening, and of course, crafting.

**Mrs. Cindy Buckner** - Mrs. Cindy Buckner has over 7 years of collegiate teaching experience and has homeschooled her children. She is currently homeschooling her grandchildren. She is also a former, long-time, ICU nurse.

She has been married to her husband, Danny, for 41 years and has 2 boys, 2 daughter-in-laws, and soon to be 5 grandchildren. She has been a member of MTP for almost 30 years.

**Pastor Chris Clontz** - I became a follower of Jesus at age 11 and received my call into pastoral ministry at the age of 18 while attending Appalachian State where I was a History and Political Science major. I then transferred to Pfeiffer University where I graduated with a double major of History and Religion. At age 19 I began serving as a Youth Pastor at Tyro UMC and began serving as a Sr. Pastor in 2000. I received by M.Div in 2005 from Hood Theological Seminary and became the pastor of Mt. Pleasant Church the next year in 2006. I have a wonderful wife of 24 years named Amanda and two children, Cooper (18) and Reagan (15) who have always been homeschooled.

**Mr. Matt Kimel** - My name is Matt Kimel. I've been teaching K-12 Homeschool PE since 2007. Before that I taught elementary PE for 3 years for the public school system in Davidson County. I have a K-12 Phys. Ed. degree from High Point University. I am a veteran of the US Navy and the NC National Guard.

My wife Angie and I have been married for 26 years, we have two sons, both homeschooled, graduated and in college.

I accepted Christ as my savior at age 11 and have been growing my relationship with Jesus ever since. I currently attend Pinedale Christian Church. I have a God given love for children of all ages and absolutely love connecting with them through teaching. My goal in teaching PE is to teach kids how to move and have fun doing it.

**Mrs. Lauren Rathbone** - I have been teaching at the collegiate level for 13 years with prior experience in educational administration, finance, entrepreneurship, and public administration. I have a Masters of Business Administration and Bachelor of Science in Business Administration, Finance Concentration, both from High Point University.

She and her husband, David, have been married for almost 25 years, have a daughter, Clara, and are members at MTP. Clara has been homeschooled "officially" since 2020, but truly since her 2013 birth. Originally from Savannah, GA, she prefers to cheer on anyone but UGA.

**Mrs. Brittany Skeen** - I will be teaching the homesteading classes at The Point! I am a wife, mom of 3 boys, and a homemaker. I have been raised all my life involved in agriculture, but about 3 years ago my husband and I began our homesteading journey and haven't looked back since - raising and growing our own food using the amazing Earth our Lord has given us, raising and harvesting our own meat, composting, cooking from scratch, and getting back to the basic of life. I look forward to getting to know you and your child(ren), and teaching them about the natural resources we have and how to use them to provide for ourselves and others!
