WHY IS THANKSGIVING A BIG DEAL?

Leaves are falling, the air is cooling and it is almost time for Thanksgiving Day. Think about that. We celebrate the day of Thanksgiving. What if it was not just a day or season, but a lifestyle. What if I refused to be satisfied with being thankful for a couple days and maybe for one meal? What are some reasons that thankfulness matters so much to God?

1. God wants it.

"Give thanks in all circumstances; for this is God's will for you in Christ Jesus" (1 Thessalonians 5:18).

The Lord wants to be thanked for His goodness and sovereignty. Jesus wants to be thanked for taking our sin and making us clean. The Spirit wants to be thanked for His guidance and comfort. God desires us to show gratitude and praise. He is worthy and He deserves it.

On the other end of the spectrum, God is angered by our grumbling and complaints in the same way that He was angered with the Israelites (Numbers 11:1-2).

2. Everything is from God.

"I always thank my God for you...for in him you have been enriched in every way—in all your speaking and in all your knowledge..." (1 Corinthians 1:4-5).

There is not a single thing we own, nor a single thing about who we are that has not been given to us. From the tiniest detail of our appearance to the house we live in, from each and every breath to our salvation. Even in our greatest offerings and sacrifices, we can't outgive God.

3. A lack of thanksgiving keeps us from moving forward.

"I have heard the grumbling of the Israelites..." (Exodus 16:12)

After God led His people out of Egypt toward the Promised Land, they spent their time in the desert complaining. As a result, their eyes were taken off the big picture, and they spent much more time in the desert than they should have. The Promised Land was waiting, but their lack of thankfulness kept them from taking their next step into it.

Entitlement holds us back, but gratitude propels us forward into the life God designed for us.

4. Giving thanks changes our perspective.

When we are thankful in our prayers, our focus turns away from ourselves and to the goodness of God and all He has done for us. Our hearts are stirred with joy. Our joy begins to overflow and the result is fruit — growing to be more like Jesus.

Let's make Thanksgiving a year long practice.

A Heart of Thanksgiving

"Give thanks to the Lord, for He is good; His love endures forever." – Psalm 107:1

As Thanksgiving approaches, our thoughts often turn to family gatherings, special meals, and cherished traditions. While these blessings are certainly worth celebrating, Scripture reminds us that thanksgiving is more than a season or holiday. It is a way of life for those who know God.

Giving thanks is easy when life is going well. We readily praise God for answered prayers, good health, and moments of joy. Yet true biblical gratitude goes deeper. It is rooted not in our circumstances, but in God's unchanging character. His goodness, faithfulness, and love remain constant whether we are walking through a season of abundance or a season of challenge.

Thanksgiving also has a way of transforming our hearts. When we intentionally count our blessings, we become more aware of God's hand at work in our lives. Complaints give way to contentment. Worry gives way to trust. Discouragement gives way to hope.

As we reflect on God's faithfulness this year at Mt. Pleasant, we have much to be thankful for. We praise God for the numerous professions of faith we have witnessed, celebrating lives transformed by the gospel. We give thanks for the Family Life Center Celebration and what it represents for Mt Pleasant now and for future generations. We are also grateful for the growth and expansion of our ministries and outreach efforts as God continues to open doors for us to serve our community and share the hope of Christ.

The Elders are especially thankful for you, our church family. Your faithfulness, generosity, and commitment to boldly sharing your faith in our community and beyond are a constant encouragement. Through your service, prayers, and willingness to point others to Christ, God is continuing to use Mt. Pleasant in powerful ways.

This season, take a moment to reflect on God's faithfulness throughout the year. Consider keeping a list of blessings, both large and small. Thank Him for your salvation, His guidance, the love of family and friends, and the countless ways He demonstrates His care each day.

May our thanksgiving extend beyond a single holiday and become a daily expression of worship. As we gather around our tables this year, let us remember the greatest gift of all: God's grace through Jesus Christ. And may our hearts echo the words of Psalm 107:1: *"Give thanks to the Lord, for He is good; His love endures forever."*

Happy Thanksgiving,

OWN IT: Retreat Series

SERIES OVERVIEW:

Splatter art is one of the most unique ways of creating. In an artist's hands, each splash of paint tells a story of focus, intention, and creativity. Once the artist finishes their splatter painting, we get to see something one-of-a-kind. It's like that with our faith, too. Our experiences and the people we spend time with help us create unique works of art out of our faith, but how do we shape the faith we dream about in our minds? And who can we trust to help us create it? During this weekend, we'll explore how the right habits and community can help us, because God invites us to own our faith, and true friends shape each other's faith.

Spring semester planning is underway! Please see the flyer below for upcoming dates and share with friends and family who may be interested in joining our community! Mt. Pleasant members will be able to register on November 4, so stay tuned for a text and email for our registration link before it opens to the public.

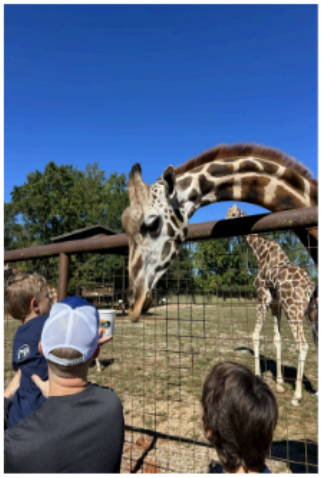

The elementary students have continued to learn about the armor of God during chapel time, and Pastor Chris has been leading our middle and high schoolers during their bible study time. We are making sure as a community that we are "armored up!" each day. Our teachers work hard to deliver quality instruction each week, and it's such a joy to walk into each classroom and see the learning taking place.

We have participated in two very fun field trips, one to Lazy 5 Ranch and in October we visited the Alpha and Omega corn maze. Over 100 students and family members have been attending our monthly field trips! Check out the pictures below!

Our spring semester will begin on January 12 and run through May 4. Please be praying for our teachers and students as we plan and create another spirit-filled semester at The Point!

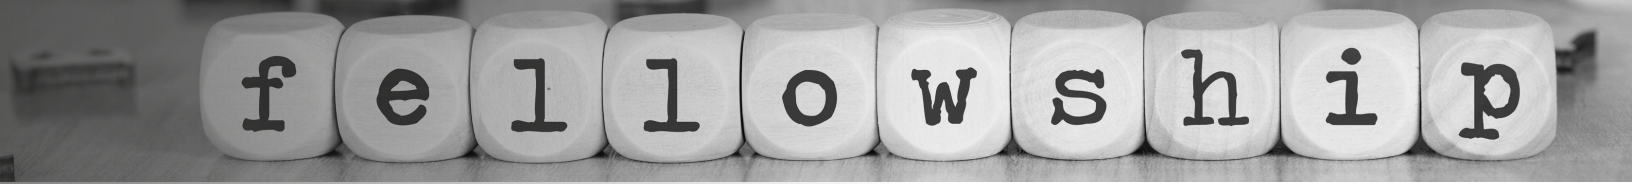

Our theme will be focused on Colossians 2: 6-7, Rooted in Christ.

MTP Women's Group

Our October meeting was October 26, and we provided a blessing box. Our Mission Project was providing food to Father's Store House for the Thanksgiving Food Boxes prepared to provide Thanksgiving meals.

Our Mission Project for the November 23 meeting will be items to give to Salem Pregnancy Center. We will provide two blessing bags.
The December meeting will be December 14 (the 3rd Monday). The meal will be covered dish, and we will play Dirty Santa. For the December Mission Project we will adopt children from the Angel Tree.

Hope you are enjoying the crisp weather and the beginning of fall color.
We pray that our church will be a light in the community that will lead people to know Christ. We pray for discernment and God's guidance in each of our lives; knowing we are blessed to be a blessing.

You are always invited to join us for a meeting. In addition to our Mission Project, Blessing Bags, and other activities, it is a time of a good meal and fellowship. For more information contact Cindy Buckner, Jane Mendenhall or the church office.

MTP Men's Group

The Men's cub met on October 11th with 25 present. Bo Sink was our speaker. He encouraged us after reading some scripture from John, that if God calls us to do something we should do our best to do His will. We also gave each of us a Bible and challenged us to give the Bible to someone else.

After our program we discussed various items. Date for Wildlife banquet is March 13,2027. The first committee meeting will be held later in October. Parts are on order for repairing gas cooker and it will be repaired when parts arrive. We stilll have plans to buy additional tables for the church.

PICKLEBALL [AT] MP

BEGINNERS PICKLEBALL CLASS

Maybe you've heard about this funny little game being played in the FLC on Thursday nights. Or, you've seen it being played in your neighborhood, or at the Wallburg Courts next to Cupcake Cuties. And you've wondered...what would it be like to play that game? That game is called Pickleball, and now is your opportunity to learn and have fun playing!

Mt. Pleasant will be hosting a clinic for beginners on Sunday afternoon, November 15, at 2:00 pm in the Family Life Center. The clinic will be limited to 12 participants, so please sign up by scanning the QR Code and secure your spot!
Paddles will be provided if you do not have one. Please wear comfortable clothing and wear tennis shoes. Ages 14 and above welcome. If you have any questions, please send them to this email address and we'll get back to you. office@mtpleasant.church

Evangelism Committee

Thank you to all that supported our "Give A Kid a Bible" campaign. We were excited to be able to provide bibles, devotionals, and other materials to all the participants that came out for our annual Trunk or Treat! It is always a fun event and gives us as a church the opportunity to love on our community.

Our project for November and December will be focused on the Blessing Tree. We are adopting 75 children again this year. We plan to have the tree up and the angels ready in the lobby by Sunday, November 15th. Please be in prayer for this project and how you can help out. This is such an amazing and generous church, time and time again you are there to contribute to the needs of others. We are confident we will be successful again this year in meeting the needs of these children and providing them a wonderful Christmas. Each child will have 3-4 angels labeled with their needs and something they would like for Christmas along with information about the child. It doesn't matter if you register to take 1 angel or 5 angels, you all have an impact. In addition to the gifts all the children will be receiving bibles. As with years past we ask that you register your angel(s) so that all the children are accounted for and in case questions arise we can contact you. This is a HUGE project and requires all hands on deck to make it happen. The Evangelism committee simply could not take this on without your help! Thank you in advance for your continued support and helping us share the **UNFAILING LOVE OF JESUS**!!!!!!

Mission Committee

From Missions Committee Member, Rebecca Tussey – "Mt. Pleasant sent 7 church members to Appalachia Service Project in Jonesville, VA Oct 15-18th. Our team worked together to help an elderly lady whose home was impacted by flooding from Hurricane Helene. Other ASP groups had previously helped with replacing siding, windows, flooring, and decking, while our group worked on drywall demo and replacement in the master bedroom, which is currently uninhabitable due to damage. We were able to complete the demo of existing drywall and replace it with new drywall, and update the electrical outlets as well. The homeowner was very appreciative of the work, and we were able to pray for her, her family, and the project as it progresses with future ASP groups.

Although none of our team had worked together previously, we all brought unique skills to the table and were able to work together and get a lot done in the two work days we had! God knew what he was doing with our small but mighty team, and the friendships we formed during this trip are truly a blessing.

The Mission Committee plans to sponsor and coordinate future ASP trips, and looks forward to growing the interest and impact with ASP! If you are interested in finding out more about Appalachia Service Project, please reach out to the Mission Committee for more info!"

Testimonial from one of those attendees who is also on Missions Committee, Jimmy Ray: – "One of the things I've thought about often since leaving Jonesville, that I wasn't expecting, was the connection our group had. To my knowledge, only Rebecca and I knew one another prior to this trip, but I could be mistaken. Personally, I'd never met any of the others. You go on a trip like this to help someone and actually receive something far greater than you could ever give. With the laughs and stories we shared, I can't help but think of our church body and how trips like this, together, might help us do greater things individually and as a church family."
